**Activity: Research**

**Type of sentence**

**A.**

**Learning objective**

At the end of this activity you should be able to:

- analyse the types of sentence given to a range of offenders.

Click on the link below and use the infographic to determine the patterns in sentencing for a range of offenders. The thicker the line, the greater the number of offenders.

A. Briefly explain the patterns of sentencing for the following offenders. What is the most common and least common sentence for each category?

1. First time offenders
2. 1-2 previous convictions/cautions
3. 3-6 previous convictions/cautions
4. 7-10 previous convictions/cautions
5. 11-14 previous convictions/cautions
6. 15 or more previous convictions/cautions

B. As a further activity, compare the patterns of sentencing for the following groups:  
[To do this, uncheck the boxes of those categories that you want to exclude.]

1. Adult versus juveniles
2. Males versus females
3. The different offence groups.
